

Denville Public Schools COVID Reopening Plan Phase II Plan

April 2021

[Appendix “U” of 9/10/20 reopening plan](#)

Board of Education Approval: April 12, 2021

Moving to Phase II

Our region must move from Orange (high) level to at least the Yellow (moderate) level of COVID activity in the Northwest Region for at least two consecutive weeks and/or get the approval of the Department of Health, School Physician and Head Nurse. [Click here for the latest COVID report.](#)

If our region moves back into the orange/high level at any time, the schools may revert back to the original four hour schedule.

Important Dates to move to Phase II -

- May 3, 2021 -at the earliest possible date for extended in-person instruction if the above is satisfied
- June 1, 2021- at the latest (if not able to move by June 1- we will continue our current schedule through the last day of school.)

Schedules for Phase II: In-person instruction will not be a full day; it will be an extended day with 60 additional minutes of in-person instructional time.
