

Facilities Projects 2016

Denville Board of Education

Valleyview Media Center Remodel

The image shows a spacious library or study area. On the left, there are several long, light-colored study tables with grey ergonomic chairs. Large windows with white blinds are in the background. In the center, a whiteboard is mounted on a blue wall. To the right, tall bookshelves filled with books line the wall. In the foreground on the right, there is a curved sofa with a red base and a colorful patterned backrest, and a small round table with an open book on it. A blue arrow points upwards from the text 'New AC' towards the ceiling.

New AC
