Denville Community  
March 20, 2020

I am very proud of the way our staff, students and the community as a whole has rallied and kept the educational process moving during this extended closure. At this time we do not have any information on the length of the closure, which has been mandated by Governor Murphy as of March 18, 2020. We will continue to keep the public informed as we navigate this unprecedented time in our history.

If you have any questions or comments please contact me.
