**Whereas**, the required maintenance activities as listed in the attached document for the various school facilities of the Denville School District are consistent with these requirements, and

Whereas, all past and planned activities are reasonable to keep school facilities open and safe for use or in their original condition and to keep their system warranties valid,

#### **ROLL CALL VOTE:**

Mr. Duarte-N, Mrs. Lindsay-Y, Mr. Casse-N, Mr. Napeloni-N, Mrs. DeLuna-Y, Mr. Paragian-Y \* Mr. Casse requested his statement to be included for the record. **MOTION CARRIED** 

\*I will be voting no on this resolution to pay Ms. Farley and her attorney \$14,000 (\$10,000 BOE deductible and \$4,000 insurance company payment). Those of you that initially supported this resolution, I request that you reconsider based on the following:

#### This is a decision with minimal and a one sided explanation of events:

There was no formal written or verbal statement and/or meeting procured by the board from <u>other parties</u> to give their side of the story as to what transpired. This was requested several times by me at prior meetings and to this date I have not seen anything.

There was no interview or questioning of the employee regarding this matter by the full board.

# This is a decision without request for statements, interviews and/or questioning of the employee's union representatives:

There was no vetting, interview and/or statement requested by the BOE from Ms. Farley's individual union representative or the <u>DEA union</u> <u>the DEA union</u> <u>representative</u>. From the conversations previously held there is no audit trail regarding the employee's discussion with the union, the union's opinion and course of action and why the union did not lobby the superintendent and BOE on their member's behalf.

There was no formal request for the name of who was contacted, why no one was available, when someone would be available and what advice and direction, if any, was given Ms. Farley by the union on a state or local level.

This is a decision that weakens employee standards, behavior and demonstrates the board's inability to hold employees to those guidelines.

There was no formal grievance filed by the employee, which is a blatant disregard of board policy and procedures.

There has been no effort by the board or Personnel Committee to find out if there has been a violation of established ethics, policy and if any action should be taken.

This decision will set a precedence that any time an employee is unhappy they can by pass district policy, guidelines, rules and union assistance and shake down the Denville BOE for an out of court settlement. I am not buying on to "it will be different next time".

This is a decision being made that will cost the BOE \$10,000 whether we settle or not:

The insurance company would provide defense costs, including expenses, capping the board's liability at \$10,000.

It would send a better and stronger message to not settle and leave it up to the insurance carrier on what to do.

- 6. **MOTION:** To accept the donation from EH Attorneys at Law in support of the Valleyview Mock Trial Team.
- **7. MOTION:** To accept the following amounts for the IDEA Grant for the 2012-2013 school year:

Preschool	\$22,409.
Basic	\$403,524.
Non-Public	\$29,225.

**8. MOTION:** To authorize the purchase a 2012 Chevrolet 2500 Silverado Pick Up Truck w/Plow from Gearhart Chevy at a cost of \$24,963 (lowest quote). The two other quotes were as follow:

Ayers Chevrolet (Dover) \$35,000

Rt. 46 Chevrolet (Hackettstown) \$43,736
