

Denville Township Schools

1 St. Mary's Place, 2nd Floor, Denville, New Jersey 07834

Ph. 973-983-6530 Fax 973-784-4778

To: New Employees, Substitutes, and Volunteers
From: Denville Township Board of Education
Subject: Tuberculosis Testing (Mantoux Test)
Date: 2022 - 2023 School Year

Please be advised that the State of New Jersey requires a Mantoux Intradermal Tuberculin test (PPD) for to ***all newly hired employees (full-time and part-time), all teachers, school bus drivers on contract with the district and volunteers.*** The form below must be completed by your physician and returned with your application prior to the start of employment. **Only new employees with a documented Mantoux test administered *within the previous six months* do not have to be re-tested. If your Mantoux test was administered *more than six months ago, you will need to be re-tested.***

If you have proof of a previous Mantoux Test, a positive TB test, or if you have been immunized against Measles, Mumps, Polio, or Rubella in the past six weeks, please notify your physician prior to having this test done.
