P.L. 2018, c. 5
Effective June 1, 2018

P.L. 2018, c. 5 concerns school employees and supplements chapter 6 of Title 18A of the New Jersey Statutes. This law prohibits a school district, charter school, nonpublic school, or contracted service provider holding a contract with a school district, charter school, or nonpublic school (collectively referred to as “hiring entity”) from employing a person serving in a position which involves regular contact with students unless the hiring entity conducts a review of the employment history of the applicant by contacting former and current employers and requesting information regarding child abuse and sexual misconduct.

The district is required by law to conduct this employment verification. Please use [this link](#) to complete the necessary application and select **NEW JERSEY**.

Applicants must submit **all current employers and former employers**.
