BOARD OF EDUCATION DENVER

Operations
8330. PUPIL RECORDS (M)

8330. PUPIL RECORDS (M)

The Board of Education believes that information about individual pupils must be compiled and maintained in the interest of the pupil's educational welfare and advancement. The Board will strive to balance the pupil's right to privacy against the district's need to collect, retain, and use information about individual pupils and groups of pupils. The Board authorizes the establishment and maintenance of pupil files that include only those records mandated by law, rules of the State Board of Education, authorized administrative directive, and those records permitted by this Board.

The Superintendent shall prepare, present to the Board for approval, and distribute regulations that implement this Policy and conform to applicable State and federal law and rules of the State Board of Education.

For purposes of this Policy:

"Parent" means the natural or adoptive parent, the legal guardian, surrogate parent, or a person acting in place of a parent in accordance with N.J.A.C. 6A:32-2.1. Unless parental rights have been terminated by a court of appropriate jurisdiction, the parent retains all rights under N.J.A.C. 6A:32. A foster parent may act as a parent under the provisions of N.J.A.C. 6A:32 if the parent's authority to make educational decisions on the pupil's behalf has been terminated by a court of appropriate jurisdiction.

General Considerations

Pupil records shall contain only such information as is relevant to the education of the pupil and is objectively based on the personal observations or knowledge of certified school personnel who originate the record. The district shall notify parents annually in writing of their rights in regard to pupil records and pupil participation in educational, occupational, and military recruitment programs. Copies of the applicable State and federal laws and local policies shall be made available upon request. The district shall make every effort to notify parents in their dominant language.

Nothing in this Policy shall be construed to prohibit certified school personnel, at their discretion, from disclosing pupil records to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the pupil or other persons.

No liability shall be attached to any member, officer, or employee of the Board of Education permitting access or furnishing pupil records in accordance with Department of Education rules.

Pupil Information Directory

A pupil information directory is a publication of a school district that includes pupil information as defined in N.J.A.C. 6A:32-2.1. In the event the district publishes information included in the pupil information directory, the Superintendent or designee will inform parents of such publication, and parents will be afforded a ten-day period to submit a written statement to the Superintendent prohibiting the school district from including any and all types of information about the pupil in any pupil information directory before allowing access to such directory to educational, occupational, and military recruiters pursuant to N.J.S.A. 18A:36-19.1 and P.L. 107-110 sec. 9528, Armed Forces Recruiter Access to Students and Student Recruiting Information of the No Child Left Behind Act of 2001.

School Contact Directory

The district shall compile and maintain, but need not publish, a school contact directory for official use, which is separate and distinct from the pupil information directory. School personnel shall provide information from the school contact directory for official use only to judicial, law enforcement, and medical personnel who are currently providing services to the pupil in question. In order for a parent to exclude any information from the school contact directory for official use, the parent shall notify the Superintendent or designee in writing on a form prescribed by the Commissioner of Education.

Mandated and Permitted Pupil Records

Mandated pupil records are those records school districts have been directed to compile by State statute, regulations, or authorized administrative directive in accordance with N.J.A.C. 6A:32-7.3.

Permitted pupil records are records authorized by the Board to be collected in order to promote the educational welfare of the pupil. The Board shall authorize the permitted records to be collected by adopting at a regular public Board meeting a resolution listing such permitted records or Regulation 8330, which will list such permitted records.

Maintenance and Security of Pupil Records

The Superintendent or designee shall be responsible for the security of pupil records maintained in the school district. Policy and Regulation 8330 assure that access to such records is limited to authorized persons.

Records for each individual pupil shall be maintained in a central file at the school attended by the pupil. When records are maintained in different locations, a notation in the central file as to where such other records may be found is required.

Pupil health records shall be maintained and located in a locked cabinet or room in the school building or complex where the pupil is assigned. Records kept in electronic form shall be both accessible and secure. Pupil health records shall be maintained separately from other pupil records, until such time as graduation or termination, whereupon the health history and immunization record shall be removed from the pupil's health record and placed in the pupil's mandated record. Records shall be accessible during the hours in which the school program is in operation.

Security blocks will be installed for records stored in any computer system to protect against any security violations of the records stored therein. To guard against the loss of pupil records, the district shall maintain an updated hard copy and backup versions of pupil records.

Any district internet website shall not disclose any personally identifiable information about a pupil, in accordance with N.J.S.A. 18A:36-35.

Access to Pupil Records

The district shall control access to, disclosure of, and communication regarding information contained in pupil health records to assure access only to those authorized organizations, agencies, and persons under the conditions permitted by federal and State statute and regulations in accordance with N.J.A.C. 6A:32-7.5.

The district may charge a reasonable fee for reproduction, not to exceed the schedule of costs set forth in N.J.S.A. 47:1A-2, provided that the cost does not effectively prevent the parents from exercising their rights under N.J.A.C. 6A:32-7 or under rules and regulations regarding pupils with disabilities.

Access to and disclosure of a pupil's health record shall meet the requirements of the Family Education Rights and Privacy Act, 34 C.F.R. Part 99 (FERPA).

The following authorized organizations, agencies, and persons shall have access to pupil records:

1. The pupil who has the written permission of a parent and the parent of a pupil under the age of eighteen whether or not the child resides with that parent except per N.J.S.A. 9:2-4; the place of residence shall not be disclosed and access shall not be provided if denied by a court.

Access shall be limited only to those pupil files which such staff are directed to enter or record information and shall cease when the specific assigned task is completed.
6. Accrediting organizations in order to carry out their accrediting functions, the Commissioner of Education and members of the New Jersey Department of Education staff who have assigned responsibility which necessitates the review of such records.
7. Officials of other district Boards of Education within the State of New Jersey or other educational agencies or institutions where the pupil is placed, registered, or seeks to enroll subject to the following conditions:

 - c. All records to be forwarded, including disciplinary records as specified in N.J.S.A. 18A:36-19(a), shall be sent to the Superintendent or designee of the school district to which the pupil has transferred within ten school days after the transfer has been verified by the requesting school district;

 9. Officers and employees of a State agency who are responsible for protective and investigative services for pupils referred to that agency, pursuant to N.J.S.A. 9:6-8.40. Wherever appropriate, the district shall ask such State agency for its cooperation in sharing the findings of the investigation.
 10. Organizations, agencies, and persons from outside the school if they have the written consent of the parent, except that these organizations, agencies, and persons shall not transfer pupil record information to a third party without the written consent of the parent.
 11. Organizations, agencies, and individuals outside the school, other than those specified in N.J.A.C. 6A:32-7.5(e), upon the presentation of a court order.
 12. Bona fide researchers who explain in writing, in advance to the Superintendent, the nature of the research project and the relevance of the records sought and who satisfy the Superintendent or designee that the records are to be used under strict conditions of anonymity and confidentiality. Such assurance shall be received in writing by the Superintendent prior to the release of information to the researcher.

Nothing shall be construed to prohibit school personnel from disclosing information contained in the pupil health record to pupils or adults in connection with an emergency, if such knowledge is necessary to protect the immediate health or safety of the pupil or other persons.

In providing access to pupil records in accordance with N.J.A.C. 6A:32-7.5, individuals shall adhere to requirements pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act (OPRA) and 34 CFR Part 99, the Family Educational Rights and Privacy Act (FERPA).

Conditions for Access to Pupil Records

All authorized organizations, agencies, and persons with access to pupil records shall have access to the records of a pupil subject to the following conditions:

1. No pupil record shall be altered or disposed of during the time period between a request to review the record and the actual review of the record.
2. Authorized organizations, agencies, and persons from outside the school whose access requires the consent of parents shall submit their request in writing together with any required authorization to the Superintendent or designee.
3. The Superintendent or designee shall be present during the period of inspection to provide interpretation of the records where necessary and to prevent their alteration, damage, or loss. In every instance of inspection of pupil records by persons other than parents, pupil, or individuals who have assigned educational responsibility for the individual pupil, an entry shall be made in the pupil's record of the names of persons granted access, the reason access was granted, the time and circumstances of inspection, the records studied, and the purposes for which the data will be used.
4. Unless otherwise judicially instructed, the district shall, prior to the disclosure of any pupil records to organizations, agencies, or persons outside the school district pursuant to a court order, give the parent at least three days' notice of the name of the requesting agency and the specific records requested. Such notification shall be provided in writing if practicable. Only those records related to the specific purpose of the court order shall be disclosed.
5. A record may be withheld from a parent of a pupil under eighteen when the district obtains a court order or is provided with evidence that there is a court order revoking the right to access. Only that portion of the record designated by the court may be withheld. When the district has or obtains evidence of such court order, the parent shall be notified in writing within five days of his or her request that access to the record has been denied and that the person has the right to appeal this decision to the court issuing the order.

Rights of Appeal for Parents

Pupil records are subject to challenge by parents on the grounds of inaccuracy, irrelevancy, impermissible disclosure, inclusion of improper information or denial of access to organizations, agencies, and persons in accordance with N.J.A.C. 6A:32-7.7(a).

To request a change in the record or to request a stay of disclosure pending final determination of the challenged procedure, the process shall be as follows:

1. A parent shall notify the Superintendent in writing of the specific issues relating to the pupil's record.
2. Within ten days of notification, the Superintendent or designee shall notify the parent of the school district's decision.

3. If the school district disagrees with the request, the Superintendent or designee shall meet with the parent to revise the issues set forth in the appeal.
4. If the matter is not satisfactorily resolved, the parent may appeal this decision either to the Board of Education or the Commissioner of Education within ten days.
5. If appeal is made to the Board of Education, a decision shall be rendered within twenty days. The decision of the Board may be appealed to the Commissioner pursuant to N.J.S.A. 18A:6-9 and N.J.A.C. 6A:4, Appeals.
6. At all stages of the appeal process, the parent shall be afforded a full and fair opportunity to present evidence relevant to the issue. A record of the appeal proceedings and outcome shall be made part of the pupil's record with copies made available to the parent.

Appeals relating to pupil records for pupils with disabilities shall be processed in accordance with the requirements of 1 through 6 above.

Regardless of the outcome of any appeal, a parent shall be permitted to place a statement in the pupil's record commenting upon the information in the pupil's record or setting forth any reasons for disagreement with the decision of the agency. Such statements shall be maintained as part of the pupil's record as long as the contested portion of the record is maintained. If the contested portion of the record is disclosed to any party, the statement commenting upon the information shall also be disclosed to that party.

Retention and Disposal of Pupil Records

A pupil's record is considered to be incomplete and not subject to the provisions of the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq., while the pupil is enrolled in the school district.

The school district shall retain the pupil health record and the health history and immunization record according to the School District Records Retention Schedule, as determined by the New Jersey State Records Committee.

Pupil records of currently enrolled pupils, other than that described in 1. below, may be disposed of after the information is no longer necessary to provide educational services to a pupil. Upon graduation or permanent departure of a pupil from the school district, the parent shall be notified in writing that a copy of the entire pupil's record will be provided to them upon request. Information in pupil records, other than that described in 1. below, may be

disposed of, but only in accordance with the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq. Such disposition shall be accomplished only after written parental notification and written parental or pupil permission has been granted, or after reasonable attempts at such notification and reasonable attempts to secure parental permission have been unsuccessful and prior written authorization has been obtained from the New Jersey Department of State, Records Committee.

1. In accordance with N.J.A.C. 6A:32-7.8(e), the New Jersey public school district of last enrollment, graduation, or permanent departure of the pupil from the school district shall keep for 100 years a mandated record of a pupil's name, date of birth, name of parents, gender, citizenship, address, telephone number, health history and immunization, standardized assessment and test answer sheet (protocol), grades, attendance, classes attended, grade level completed, year completed, and years of attendance.
