6141 TAX REVENUES

The Board of Education believes that the interests of district taxpayers as well as the interests of the educational program are best served by the orderly, planned transfer of tax revenues to the school district as such funds are required to pay the debts of the district.

The Business Administrator/Board Secretary shall request the Treasurer of School Monies to transfer tax revenues in anticipation of district expenditures in accordance with law and at such intervals as the Business Administrator/Board Secretary may determine to be appropriate and are approved by the Board.
